

## NAPLAN 2024

From 13/03/2024

Dear parents/caregivers,

The National Assessment Program - Literacy and Numeracy (NAPLAN), are tests administered by all states and territories Australia wide each year. In preparation for NAPLAN in week 7, students in Year 3 and Year 5 will be completing practice and familiarisation tests. The NAPLAN assessments will be completed using technological devices that will require students to have **their own personal headphones**. Students are asked to bring their headphones into school which are clearly labelled with their first and last name by **Monday 26 February**.

From week 7, all Year 3 and 5 students will begin taking their first NAPLAN assessments. We would like to remind all students that these assessments are a snapshot of their learning on one day and are not the only form of assessment we use throughout the year. If you wish to discuss your child's learning needs and possible adjustments for the assessments, please contact the school.

Students will be completing the following assessments:

- Writing (on paper for Year 3)
- Reading
- Conventions of Language
- Numeracy

For more information for parents and carers please visit the following website - <https://www.nap.edu.au/naplan/for-parents-carers>

Kind regards,

  
Mrs Kylie Walker  
Principal
